Call for Papers for the Edited Book Entitled

"LIBRARIES AND OPEN SCIENCE: ISSUES, CHALLENGES AND OPPORTUNITIES"

Dear Esteemed LIS Professionals

We feel immense pleasure to inform that we will publish an edited Book on **"LIBRARIES AND OPEN SCIENCE: ISSUES, CHALLENGES AND OPPORTUNITIES"** by the reputed publisher with ISBN. This book covers all the facets of open science which influence libraries & information centres. Open Science eliminates the barriers to access information which expedite research and enrich education. It also provides wider visibility and popularity of research, and fills in the gap of learning among rich and poor. This book will certainly enhance the understanding of open science among budding and working professionals of Library & Information Science. We cordially invite you to contribute an article for publication in the forthcoming edited Book.
